

SAN LORENZO UNIFIED SCHOOL DISTRICT
BOARD OF EDUCATION

Resolution 3565: COMMITMENT TO CLIMATE CHANGE ACTION

WHEREAS, San Lorenzo is a strong community that is proud to commit to actions against climate change;

WHEREAS, it is important to advocate for climate action leading to climate restoration to end one of the greatest threats facing communities throughout the world; and,

WHEREAS, climate change is not a partisan nor political issue and that local, state, and national policies should be guided by the best available science; and,

WHEREAS, there is a broad scientific consensus among climate scientists that human activities, contributing to increases in greenhouse gas emissions, are the dominant cause of climate change; and,

WHEREAS, children represent a particularly vulnerable group because greenhouse gases emitted into the atmosphere will continue to accumulate over the coming decades and will profoundly impact our current students throughout their lives, as well as the lives of future generations; and,

WHEREAS, climate change is a social justice, equity and human rights issue.

WHEREAS, the global impact, urgency, and magnitude of the challenge of addressing climate change calls for leadership in all sectors of society, all institutions and all elected leaders; and,

WHEREAS, we work to ensure that all San Lorenzo Unified School students graduate as civically engaged advocates for equity and social justice in our changing community and world.

NOW THEREFORE, BE IT RESOLVED that the San Lorenzo Unified School Board celebrates existing district sustainability initiatives such as:

- *Collaborating with existing municipal, county and state climate action plans.*
- *Supporting local, state and nation Walk and Roll to School programs.*
- *Continuing to increase amount of clean energy utilized; such as PG&E Solar project.*
- *Supporting sustainable facilities for both new construction and retrofits.*
- *Diverting 90% of waste by 2020;*
- *Evaluating measures that increase environmental sustainability, while remaining financially sustainable.*

LET IT THEREFORE BE RESOLVED THAT, the San Lorenzo Unified School Board shall ask the Superintendent to collaborate with the Health and Wellness Advisory Council to take action on climate change in manners that are within the purview of the District, such as:

- curricular and educational opportunities such as climate literacy, climate advocacy, and climate justice curriculum;
- facilities and operational priorities and projects including transportation, purchasing, maintenance, landscaping, and construction;
- climate-friendly food service: including locally sourced food and food waste reduction programs;
- engagement and non-partisan advocacy with local, state and federal jurisdictions for common sense climate policies that protect current and future students.

BE IT FURTHER RESOLVED, that the Board of Education calls on Congress to take swift and effective action on climate change to protect current and future students.

BE IT FURTHER RESOLVED, that the Board of Education asks the Superintendent to share official copies of this resolution to the following: the Superintendent of County Schools, all student councils in our district, the district educators' unions, all county Superintendents of Schools, the State Superintendent of Education, the Congressional Climate Solutions Caucus, the California State School Board Association, the National School Board Association, all California members of Congress, and the Schools for Climate Action campaign.
